Frequencies of the Citizen Band Radio Provided to MPs

*150. SHRI V. RAJESHWAR RAO:
DR. SHRIKANT RAMCHANDRA JICHKAR:

Will the Minister of COMMUNICATIONS be pleased to state:

(a) what are the frequencies to the Citizen Band Radio which are available for giving under the MPs Local Area Development schemes;

(b) what is the manner in which this will operate; and

(c) in which manner this scheme can be implemented by the Members of Parliament in order to make wireless more popular and useful in schools, colleges and in rural areas?

THE MINISTER OF STATE OF THE MINISTRY OF COMMUNICATION (SHRI SUKH RAM): (a) In the Citizen Band frequency range of 26957 KHz to 27283 KHz, 40 specific frequency channels have been earmarked for different communications needs, including those for rural areas and emergency communications. These frequency chennels are channel 1 on frequency 26964.0 KHz to Channel 40 on frequency 27276.0 KHz, at 8 KHz interval.

(b) Citizen Band sets can provide short-range communication, generally for voice communication. Such sets require licensing from Ministry of Communications and the procedure for use of Citizen Band sets has been simplified.

(c) The Members of Parliament can utilise the funds available to them under the MPLADS to facilitate procurement and installation of Citizen Band Radio sets in schools, colleges and rural areas to demonstrate the usefulness of wireless communication for meeting various communication needs.
